

## Getting Along Social Skills Group

The "Getting Along Social Skills Group" is a 9 week program developed *to enhance adaptive social skills in youth with High-Functioning Autism (HFA) and Asperger's Syndrome (AS).*

*Interested parents need to call Lori Davie at 815-965-6745 ext.284 for an intake packet. All paper work must be received by October 8, 2008 to be reviewed and considered for the group. Clinical staff will review paperwork, observe children and conduct parent interviews to ensure that each child will be successful in the group. Each parent and child must attend the Open House. More detailed information will be in the invitation letter / intake packet.*
