

“Social Skills Play Group” Three to Five Year Old

The “Social Skills Play Group” is a six-week program to enhance Play Skills for children that have a diagnosis of Autism Spectrum Disorder or suspected to have Autism.

Interested parents need to call Lori Davie at 815-965-6745 ext.284 for an intake packet. All paper work must be received by October 31, 2008 to be reviewed and considered for the group. More detailed information will be in the invitation letter / intake packet. Each group will be limited to three children. Groups will be filled on a first come first serve basis, call now for an invitation.
